- Interview, film, cut, and edit own footage for news PKGs and VO/SOTs – often utilized PRSQZ, GFX, OTS and locator GFX & write corresponding web stories
- Respond to breaking news situations to investigate and perform live shots
- Build packages around a character using nat sound and visuals to connect with viewers
- Maintain an engaging on-air presence during newscasts

News Producer

July 2023 - Present

- Craft compelling narratives for local, national, and global news stories
- Lead the editorial process to curate a dynamic news lineup and synchronize with reporters to ensure seamless live broadcasts

Digital Producer

May 2023 - Present

- Write & edit impactful breaking news updates and press releases
- Curate content for social media to enhance audience engagement

KSDK - FIVE ON YOUR SIDE NEWS - ST. LOUIS, MO

News Intern

June - August 2025

- Learned the ins and outs of a large market newsroom by reporting on high-impact stories including tornado recovery, crime, flooding, and in-depth investigative pieces
- Worked with legacy reporters and producers to understand the best ways to uncover stories, follow up and showcase to an audience

INTERNATIONAL BUSINESS TIMES UK - LONDON, UNITED KINGDOM

Social Media Content Creator Intern

January - May 2025

- Produced high-quality video and graphic content on UK/US news and events, including London Art Fair; conducted street interviews and featured original reporting, including a profile on NKD Waxing's legal battle with L'Oréal
- Researched and produced accurate, audience-focused content aligned with journalistic standards across social media platforms

EXTRACURRICULARS

KAPPA ALPHA THETA SORORITY

Vice President of Diversity, Equity and Inclusion

- Foster a safe & inclusive environment by leading weekly educational discussions
- Host DEI-based events & manage resourceful social media platforms
- Serve as the primary advocate for DEI initiatives and those who are impacted by them

NATIONAL ASSOCIATION OF BROADCASTERS

Research Fellow

- Chosen as one of four MU Journalism fellows in collaboration with the National Association of Broadcasters exploring NexGen broadcast technology
- Created a flood evacuation plan for Brunswick, MO, leveraging ATSC 3.0 to reach residents in digital deserts via set-top boxes & presented at Las Vegas NAB conference
