Professional Summary

I believe I am like a jack of all trades when it comes to work. I am willing and will give my best effort at any and every job in which I am given an opportunity to succeed. I have worked for big commercial companies, and I have worked for very small businesses, I also DoorDash. I can work manual labor, I can sell products, and I am also good at customer service and making sure everyone leaves satisfied. I am a hard worker and I would love to work for you.

Authorized to work in the US for any employer

Work Experience

Quiktrip Clerk
