- Model U.N
  - Being able to discuss hard/polarized issues in front of a group and find a diplomatic way to find a resolution.

## **Work Experiences**

---

- Club Car Wash – 2025-Present
  - My job entailed providing customer service, using a sales pitch to sell the company's services/memberships, problem-solving on the spot, and addressing any safety issues.
- MU Parking and Transportation – 2023-2024
  - Had to enforce rules and regulations on students or other persons on campus property.
- Charlie's Car Wash – February 2022-August 2023; May 2024-August 2024
  - My job entailed providing customer service, ensuring knowledge of safety rules, and offering general information about the facility, all with the goal of ensuring that all customers were satisfied with the results of our service.
- Team Manager – August 2019-December 2021
  - This role included keeping track of data and equipment, and managing events and people within the organization. This included having to be independent and work with groups.

## **Involvement**

---

- Community Service
  - Volunteered at Harvesters in Kansas City during high school to get meals out to people in need.
- Working in local community events
  - Traveled with a family-owned company around the city for events/charities. This experience allowed me to meet many new and different people and was able to hear about their backgrounds and experiences.
